

Sensory Friendly Movie Theaters- Southeastern Wisconsin and Northern Illinois

AMC is proud to partner with the Autism Society to offer unique movie showings where we turn the lights up, and turn the sound down, so you can get up, dance, walk, shout or sing! Our Sensory Friendly Film program is available on the second and fourth Saturday (family-friendly) and Tuesday evenings (mature audiences) of every month. Please check your local theatre listings for specific showtimes, and don't forget to share your family fun with #AMCSensoryFriendly.

MARCUS THEATRES

A Special Showing for Families and Individuals with Special Needs

We understand that sometimes it is difficult or uncomfortable for families with special needs children to attend movies together. Marcus Theatres Reel Movies for Real Needs is a specially designed program to serve families with special needs such as autism or other challenges, who seldom attend movies. Reel Movies for Real Needs creates a welcoming and comfortable environment – lower sound, lights up – where families with children who need accommodations will be able to share the experience of seeing family friendly films at a theatre. A select first run movie is featured one Saturday each month at a convenient 10:30 AM showtime. Regular matinee pricing applies.
