

OUR PROMISE

Golden Options Adult Day Service enhances the lives of the participants while maintaining their residence in the community.

Golden Options offers respite care to benefit you as family members and caregivers, allowing time to rejuvenate or to take care of your personal responsibilities. You will know that your loved one is in a safe, structured, supervised, and active environment.

Our professional and medical interdisciplinary team of registered nurses, case managers, certified nursing assistants, and direct support professionals are trained in understanding Alzheimer's and other related dementias, and in providing individualized care.
