## PARTNERS WORKING TOGETHER

A message from the President and CEO

Dear Family and Friends,

Happy New Year! The last half of 2024 at St. Coletta of Wisconsin was a whirlwind, and I am filled with immense gratitude and pride in the progress we have made together. Our focus as an organization remains steadfast on our three main initiatives of mastering current operations, maintaining fiscal responsibility, and planning for our long-term sustainability. These priorities continue to guide our work, and I am excited to share a number of these initiatives driving this important work forward.

This past summer, we introduced several innovative concepts for our residential services, starting with new meal plans from Grove Menus. Grove has helped our staff create personalized, nutritious meals tailored to the preferences and dietary needs of those we serve, enhancing the dining experience. In addition, we launched a new activity program through the Cogwheel platform, offering pre-designed, at-home activities to keep individuals engaged and mentally stimulated. Training for these programs began in Fall 2024 and will continue. Initial feedback from families has been positive, with many highlighting how well these initiatives align with their loved ones' interests and improve the overall experience.

As part of our commitment to fiscal responsibility, staff has been working diligently to ensure that our operations remain closely aligned with our budget. In the first six months of the new fiscal year, we have consistently kept expenses at or below budget each month. Our leadership team is dedicated to making sound financial decisions while actively exploring opportunities to improve our financial performance and strengthen our bottom line.

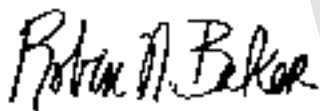

In addition, we are excited to share the launch of our "Life Without Limits" endowment campaign, a transformative initiative aimed at securing St. Coletta's future. We are in the first phase of a bold effort to raise \$10 million over the next five years. These funds will not only provide long-term growth but will also establish a sustainable foundation for St. Coletta, ensuring operational excellence and continued impact for generations to come. Your support will be essential in helping us reach this ambitious goal and strengthen our mission for the future.

Amidst these efforts, we also had the pleasure of hosting several key events, including our Annual Family Weekend, the 120th Celebration Dinner in September, and a series of holiday gatherings. The following edition highlights these memorable occasions, filled with joy and meaningful moments. I am truly grateful for the opportunity to play such an impactful role in this incredible organization.

Looking ahead, your continued support remains vital to our success. Whether through attending events, volunteering, or contributing in other ways, your involvement directly impacts those we serve. Together, we will build a future of growth, care, and dedication to our mission.

Thank you for your devotion and support.

With heartfelt appreciation,

President and CEO

## Board of Directors

Dr. Constantine Stamatelakys (Co-Chair)  
Chris Nash (Co-Chair)  
Brian Lanser (Vice Chair)  
Graciela Colin-Dealca

Joseph (Chip) Doering III

## INSTALLATION OF ROBIN BAKER

*Guided by the Mission, grounded in Faith, with hope for a better tomorrow.*

July 18 marked a historical milestone for St. Coletta as we held the Installation and Missioning Mass for Robin Baker as the 16th and First Laywoman President and CEO. Robin's exceptional dedication and vision promise to guide us toward a future grounded in the roots started by the Sisters of St. Francis. We look forward to her tenure, confident in her ability to inspire and lead us with compassion, dignity and respect. Congratulations, Robin!

- Presentation of Robin by Dr. Constantine Stamatelakys, Board Co-chair.
- Missioning by Sr. Joanne Schatzlein, OSF, Director
- Blessing and Donning of the Tau Cross by Sister Grace Schauf, OSF, Representative
- Blessing of Robin with the Franciscan Blessing by Sister Charlotte Roost, OSF, Vicar/Associate Director
- Invocation of the Holy Spirit on Robin by Tiffany Helt, Director of Pastoral Music

## GENERAC VOLUNTEERS AT THE GARDEN

A special thank you to our volunteers from Generac for their assistance in preparing our garden for the winter season. Their collective efforts significantly expedited the process of clearing the dead plants, produce, flowers, and all the weed barriers.

In celebration of our 120th Founder's Day (September 10th, 1904), the Sisters of St. Francis of Assisi joined us and Bishop Hying to celebrate their accomplishments for founding our mission here at St. Coletta. We also kept up with the tradition by having potatoes from our garden in honor of the first sisters who arrived at St. Coletta in 1864 and had just potatoes, tea, and salt to eat. We also joined in the unveiling and blessing of the Assisi Hall window display.

*On September 10, 1904...* Known as the "Archbishop of Christian Charity," Sebastian Gebhard Messmer encourages using the vacant St. Coletta convent to serve children with disabilities. Under his leadership, charitable institutions for the sick, orphaned, poor, and aged more than double in Wisconsin.

Armed with this endorsement, Father George Meyer recruits students, and Mother Thecla Thren seeks the Sisters' involvement in this new endeavor at the Jefferson convent.

On September 10, 1904, new purposes are revealed as St. Coletta Institute for Backward Youth is established and opens its doors to five girls with disabilities, marking the beginning of an historic ministry.

### TRANSITUS OF ST. FRANCIS

October 3 marks Transitus, when we remember and celebrate the life of St. Francis of Assisi before the Feast of St. Francis on October 4th. Transitus marks the moment he transitioned from his earthly to his eternal life. On this day, we encourage reflection on the values of simplicity, peace, and joy that St. Francis exemplified in his own life.

**JUBILEE**  
*"This is a day to remember" - Exodus 12:14*

Our Sisters of St Francis of Assisi, celebrating milestone anniversaries this year, were recognized and honored during our annual Sisters' Jubilee celebration with a luncheon and celebratory mass.

Congratulations to the Jubilarians!

**80 Years**  
 Sister Lenore Steilen

**75 Years**  
 Sister Bernadette Grabrian  
 Sister Maria Regina Rodriguez

**70 Years**

# SAINTS + Sisters 120<sup>TH</sup> ANNIVERSARY Celebration

On September 13, 2024, the St. Coletta community came together for a truly special evening, marking 120 years of service and impact. The Saints and Sisters Celebration, held at the Brookfield Convention Center, was filled with heartwarming tributes, joyous reunions, and a deep sense of gratitude for the lasting legacy of St. Coletta's mission.

This milestone event was not only a celebration of St. Coletta's 120th anniversary but also an occasion to honor the Sisters of St. Francis, who are celebrating 175 years of dedicated service. Their unwavering commitment has been the foundation of St. Coletta's work, and this evening was an opportunity to recognize their profound contributions to education and care for individuals with developmental disabilities.

*Thank you to all of our supporters and our incredible sponsors.*

# Family Weekend

WISCONSIN

ILLINOIS

## GO OLYMPIC GAMES

During the 2024 Olympics, Golden Options organized their very own Olympic games! Kicking things off with opening ceremonies, the week was filled with exciting daily competitions in Bowling, Relay Races, Football, Volleyball, Tennis, Basketball, Target Shooting, and Cornhole.

A huge thank you to our fantastic staff for hosting their own Olympics and for coordinating such a fun way to enjoy the events while spreading smiles throughout the hallways and programming!

## PET BLESSING

On Friday, October 8th, we celebrated the Feast of St. Francis of Assisi, marking the 800th anniversary of the Stigmata of St. Francis. In recognition of this occasion, we held a special mass on the 7th, followed by a pet blessing for those who wished to bring their animals to receive a blessing from Father Tom. It was a beautiful sunny day that allowed our furry friends to meet one another and spread joy to all in attendance.

## DOWN SYNDROME AWARENESS MONTH

Down Syndrome is the most common chromosomal condition in the United States, impacting 1 in every 775 babies. In 2024, St. Coletta had the privilege of providing services to 50 persons served with Down Syndrome!

This year, for the month of October we recognized Down Syndrome Awareness month with shirts to celebrate our persons served, loved ones, and community members with Down Syndrome.

## GIVING TUESDAY

The 2024 Giving Tuesday Campaign provided much-needed funds for Creative Connections, our Montessori-based educational and activity programs being launched in our residential homes. These innovative activities promote self-directed learning, foster collaboration, and enhance emotional intelligence among our residents.

By integrating sensory boards, sorting games, building blocks, and fidget cubes, we aim to nurture critical thinking and respect for others, helping each individual reach their full potential.

Thanks to your overwhelming support, we began rolling this out in our homes to much enthusiasm! This initiative should be in all residential homes soon and has been exciting and engaging for our individuals.

# GIVING TUESDAY

## TOGETHER YOU GAVE \$19,100

### 120TH ANNIVERSARY ALE

As part of our 120th Anniversary Celebration, and in partnership with Hubbleton Brewery, we released a limited edition of our historical brew, Bad Habits Ale. It was also a way to honor our Sister Grace, who granted permission to be featured on the label while donning her full habit and driving her brother's 1962 Triumph.

### BRAND AMBASSADORS

This year, we received an unprecedented number of applications from individuals enthusiastic about becoming the newly elected ambassadors for 2024–2025. During the Consumer Leadership meeting in October, Betsy Bright proudly announced the selection of our new Brand Ambassadors. Julia Rossiter and Mariae Alvarez were warmly welcomed by Robin Baker as they transitioned into their new roles.

Their enthusiasm for advocacy and commitment to being actively involved throughout the upcoming year is truly inspiring. We look forward to seeing them excel as they represent St. Coletta at community events and beyond, making a positive impact at every opportunity.

24 hours a day, 7 days a week, 365 days a year... From 1904 to Today, DSPs Pave the Way. This powerful theme defined this year's celebration of DSP Week.

Our Direct Support Professionals work tirelessly to help individuals with developmental disabilities achieve their highest quality of life. While their contributions deserve recognition every day, we proudly joined the national celebration from September 8–14. Human Resources found

countless ways to honor and celebrate our incredible DSPs through fun activities, prizes, and meaningful appreciation events.

We extend a HUGE THANK YOU to our amazing DSPs for going above and beyond each day, embodying our mission in everything you do. Your frontline dedication and commitment do not go unnoticed, and we cherish the impact you make every day.

*Thank you for paving the way!*

## GREATER MILWAUKEE CHRISTMAS

The Greater Milwaukee Christmas party took place at the beautifully decorated IGC in New Berlin, providing an opportunity for family and friends to come together and enjoy an extensive dessert spread, coffee and hot chocolate. Dinner was catered by Sendik's, and the atmosphere was filled with music and entertainment. Despite the snowy weather and road conditions, we are grateful for all those who attended and thankful for the safe travels of our guests.

## ILLINOIS CHRISTMAS

The Illinois Christmas party was truly an entertaining event and is consistently one of the most anticipated occasions of the year. We gather together to sing Christmas carols, enjoy a delightful dinner, and, of course, partake in the most enjoyable aspect—our staff creatively assembles impressive gift baskets as prizes each year. The open mic segment, along with early Christmas gifts and the presence of family and friends, contributes to the joyful spirit that we all eagerly await.

# Holiday

## DINNER DANCE

The Holiday Dinner Dance is a wonderful evening where we come together to celebrate the spirit of the season, sharing in the Christmas cheer surrounded by twinkling lights, beautiful holiday fashion, lively dancing, and a delicious feast. With joyful music and warm camaraderie, the Holiday Dinner Dance is a beloved tradition that helps us create lasting memories.

## JEFFERSON CHRISTMAS PARTY

The Jefferson Christmas party was held again at the cabin. Staff, family and friends visited throughout the afternoon to enjoy the games and activities, try their luck at the money cup punch, enter their names in for raffle prizes, leave with a full belly of great food and of course, finish with dessert from the treasured chocolate fountain.

## VIEW FROM ABOVE

Chem-Air Helicopters in Fort Atkinson generously donated a helicopter ride and various items as auction items for our 120th Celebration. Tim, former board chair, won the bid and invited his daughter, one of her caregivers – Christine, and Sister Grace to accompany him on the ride.

It was a beautiful day and an extraordinary experience for all involved, including those who had the opportunity to watch and wave from below as they flew over the St. Coletta headquarters. Jim from our maintenance department also crafted a delightful sign as a surprise for Sister Grace.

## NOVA CHOIR

To commence the holiday season, our NOVA choir presented a delightful performance of Christmas songs. Their beautiful voices resonated throughout the gathering, instilling joy and festive spirit in all who were present. It was a heartwarming beginning to the celebrations, and we wish everyone a blessed and joyful holiday season!

# HAPPY HALLOWEEN

Everyone loves the annual Halloween Dinner Dance, a fantastic time to dress up and celebrate! Check out some fun photos from this spooky evening!

## RUSHING WATERS FISHING

Throughout the warmer months, our board member, Bob, and the Recreation Department go fishing with everyone who wants to come along. Rushing Waters has an accessible pier, making it an ideal location for a morning or afternoon with sunscreen, a pole, a hook and great company! We are grateful that Bob lives the St. Coletta mission and shares his passion with our individuals. Sharing experiences in nature is truly a gift!

## Donate Today!

*Please consider the many ways to give to St. Coletta of Wisconsin*
