Participants are provided with transportation to and from the Achieve program.

ACTIVITIES

Are provided not only to enhance independence and assist individuals in achieving their goals, but also to provide enjoyment, entertainment, and engagement.

OUTINGS

Community inclusion gives our individuals the opportunity to get out, experience and learn about their environment. It allows for persons served to contribute to their communities in positive ways and assists them in becoming valued members of society.

Achieve
Developmental Training

OUR GOAL

The goal of the Achieve program is to develop life skills to promote independence, responsibility, and personal growth. Participants and encouraged to reach their highest level of spiritual awareness, independence, and community participation.

In addition to the in-program activities and curriculum, participants also enjoy many entertainment and social activities, games and sports, arts and crafts, table games, music, and singing activities. While many of these activities are conducted in the program, others are attended in the local community such as bowling, eating out, going to local parks, ball games, or the movies.
